### EFFICIENCY AND CONSISTENCY

### FINESSE, SAFETY AND CARE

**Sterling Foods Inc.** produces high quality meat products ensuring freshness. We select wholesome chicken products, raised without unnecessary chemicals and ingredients. Our chickens are brought up in American family farms, in stress-free environments. Our guiding principle of sourcing high quality products steers us in a direction of selecting antibiotic-free chicken that are fed a vegetarian diet. We are proud to serve the healthiest products to our customers and yours.
